

The Bothnian Green Logistic Corridor (BGLC)

Co-funded by the EU
Baltic Sea Program
Budget: 4.8 MEUR.

29 Partners in 5 countries:
Sweden, Finland, Norway,
Germany and Poland.

NETWORKS & COLLABORATION

More than 60 associated partners from industry and other ongoing EU-projects.

Letters of support from 4 ministries of transport in Sweden, Norway, Finland & Poland.

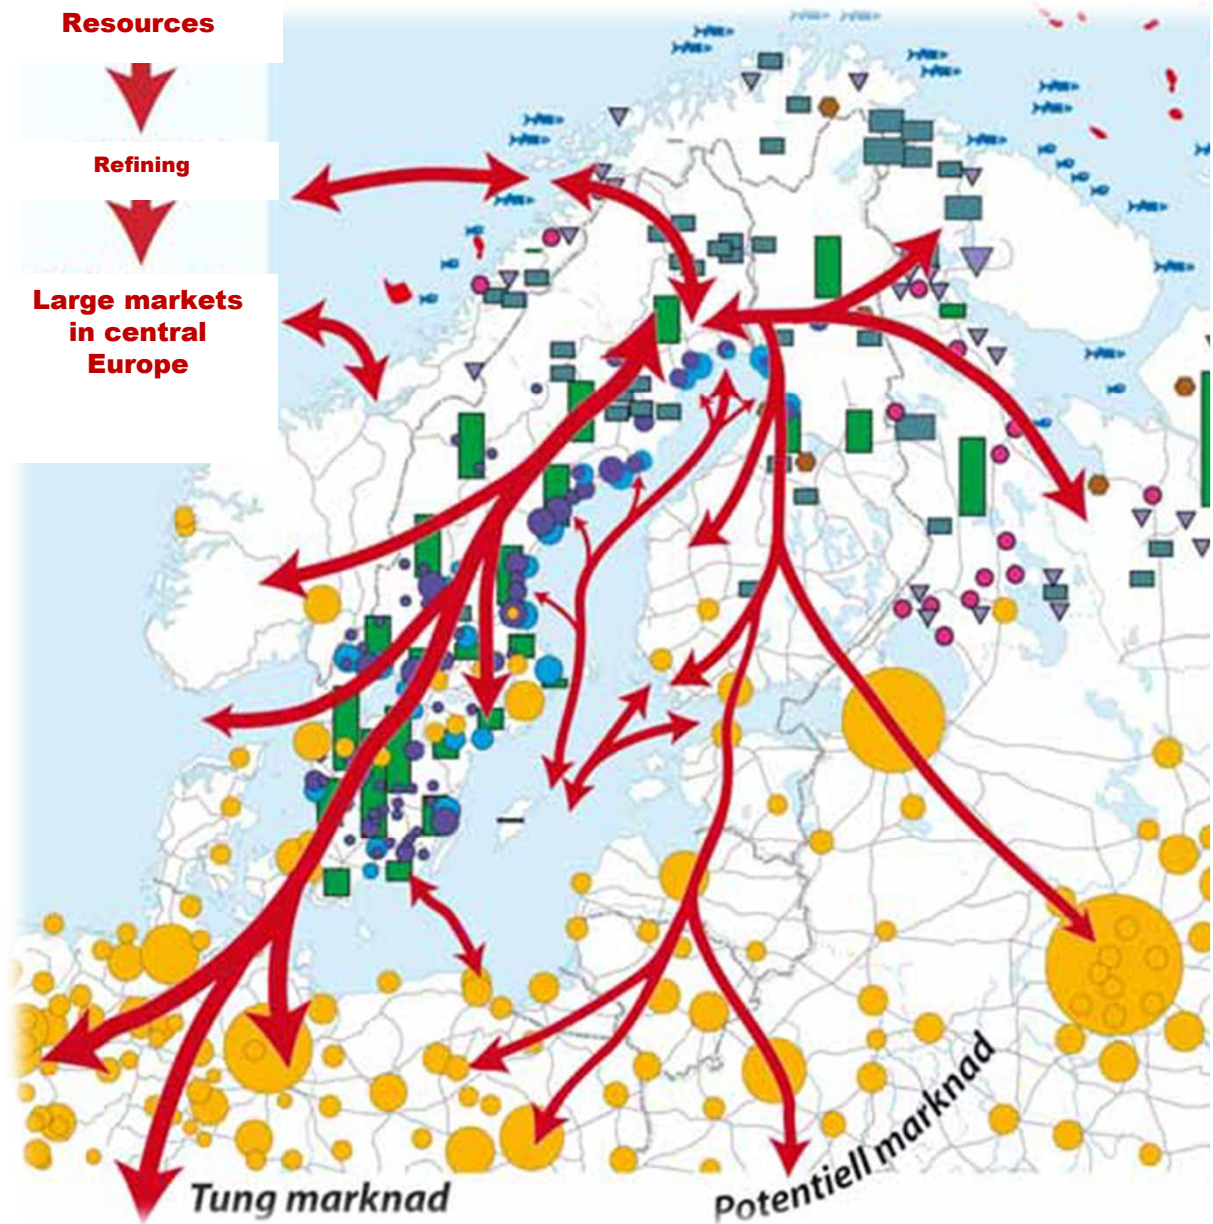

INCREASED INTEGRATION

Natural resources and
industrial production in
northern parts of
Europe

Industrial chain & end
markets in the whole of
Europe

HOW?

More effective use of existing infrastructure
(economic, green, effective)

- Improve co-ordination between transport modes
co-modality
- Develop innovative business models
- Define strategic nodes & links
- Test & piloting of logistic systems & technical
solutions
- Dissemination, networking & stakeholder's forum
